Andy LoRusso's Singing Chef's "A Night in Italy" is suitable for Casinos, Fundraisers, Corporate Events, and special events of 100 or more people. Chef Andy's A Night in Italy Show is simple and easy to set up in a Grand Ballroom or Showroom in a Casino Resort, Hotel or Convention Center. See Chef Andy's Rider for details by clicking [here](#).

Andy performs a full 90 minute show where he prepares a few of the items from the all Italian menu from the stage while he sings to your clients. Andy also invites a few of your clients and guests up on the stage with him to assemble one of the recipes. Lots of fun!

Choose from a sit down dinner of four courses, or a seven course food and wine sampling.

After each food demonstration, the courses are presented in a progressive manner until the whole meal is served. The menu is a four course feast and can be such items as a pre-set **antipasti** of crostini with roasted garlic, caramelized onions, and roasted eggplant, a **special salad** of toasted walnuts with fennel and sweet oranges over arugula, an entree of **Chicken Piccata, Scaloppini, or Marsala**, and or a **Sicilian Bracioli**, (rolled beef) with a home made red sauce over **creamy Polenta**, finished off with Andy's Nona's **Sicilian Ricotta cheesecake** with fresh berries. All from his best selling cookbook.

Andy works with your caterer and chef to plan the all Italian menu. He will also suggest and work with the food and beverage team to pick a few wines that could go with the meal and truly compliment it if needed.
